WHEREAS, the effective date of this ordinance is April 1, 2020; and

WHEREAS, the Daggett County Commission received input from the municipalities and the Uintah Basin Association of Governments, an eligible political subdivision, regarding how much revenue would be needed to fund public transit services within Daggett County; and

WHEREAS, the Daggett County Commission held a duly noticed meeting on December 16th, 2019 to receive any additional comment and discuss the percentage of revenue to be allocated to public transit services provided by an eligible political subdivision; and

WHEREAS, the statute does not allow the County Commission to change the allocation, except by submitting an opinion question to the registered voters, once the initial allocation is set, thus necessitating the County Commission to be very careful in setting the initial allocation as to avoid deficient or excessive funds reserved for public transit services:
