

REQUEST FOR PROPOSALS

Daggett County is accepting proposals from Real Estate Professionals to market at least three (3) lots in the Dutch John community, possibly through its Redevelopment Agency.

Proposals should detail:

- Plans to market these lots including direct marketing and multiple lists available
- Explain your experience in marketing lots in a recreational area like Dutch John
- Any additional information pertinent to marketing these properties.
- Cost involved with the marketing program and minimum length of time required for contract.

Daggett County intends to award a contract to the applicant who best satisfies the County's desire to market the existing Dutch John lots and possibly future lots. This Request for Proposals does not commit Daggett County to award a contract. Expenses of preparing this proposal or participating in the interview process for successful candidates are the responsibility of the applicant.

Proposals should be received by the Daggett County Clerk at P.O. Box 400; Manila, UT 84046 no later than 5:00 p.m. on June 10, 2010.
