There were so many beautiful displays it was hard for the judges to pick the top three winners!

Winners of the Daggett County Most Festive House Contest are listed below:

	<u>Western Region</u>	<u>Eastern Region</u>
1 st Place	Terry & Pat Grow	Warren & Linda Blanchard
2 nd Place	Ray & Billie Sarcletti	Merlene Folks

We hope there will be even more participants in the annual Daggett County Most Festive House Lighting Contest next year!

Food Pantry

I would really like to this opportunity to thank the giving people of manila. We had an anonymous donation of turkeys for our clients. A special THANK YOU!!

We also had a food drive from the Manila Cub Scouts. Thanks to those special young scouts and their leaders and all who donated. In one hour they collected 342 lbs of miscellaneous food items. We also had another misc. donation of food items. A BIG THANKS to the People of Manila who are so thoughtful and giving, especially at this time of year!! The time for giving!

I would like to invite anyone in the county that could really use the help, to please come to the Food Pantry and sign up for HEAT assistance. Even if you feel you don't qualify come in and let's find out for sure. You may be surprised that you qualify, because the income limits have increased over the past few years.

For Immediate Release

Subject: All-Call Scheduled for CodeRED Emergency Notification System

Emergency Management officials in Daggett, Duchesne and Uintah Counties want citizens to realize the importance of the CodeRED emergency warning system and be ready for a system "all-call".

CodeRED is a high-speed telephone emergency notification service. The CodeRED system gives officials in the three Counties the ability to deliver pre-recorded emergency telephone notification/information messages to targeted areas at a rate of up to 60,000 calls per hour.

Emergency Management officials caution that such systems are only as good as the telephone database supporting them, "If your phone number is not in the database, you will not be called". The CodeRED system gives individuals and businesses the ability to add their own phone numbers directly to the system's telephone database.

In readiness for an exercise of the system featuring an "all-call" at the end of January 2010, and to ensure no one is omitted, we urge all individuals and businesses to log onto the County Website at www.daggettcountry.org/codered and follow the link to the "CodeRED Residential and Business Data Collection" page. Those without Internet access may call their local Emergency Manager for help to give their information over the phone. Required information includes first and last name, street address (physical address, no P.O. boxes), city, state, and zip code, and primary phone number. Additional phone numbers are optional.

No one should automatically assume his or her phone number is included. All businesses should register, as well as all individuals who have unlisted phone numbers, who have changed their phone number or address within the last year, and who use a cellular phone as their primary home phone.

The CodeRED system is a geographical based notification system, which means street addresses are needed to select which phone numbers will receive emergency notification calls in a given situation. The system works fine for cell phones too, but there needs to be a street address. People who have recently moved but kept the same listed or unlisted phone number also need to change their address in the database.

Some things that CodeRED can help to notify citizens of:

- ◆ Natural Disasters such as floods, mudslides, winter weather, and dangerous water conditions
- ◆ Missing people, such as children, the disabled, or elderly
- ◆ Hazardous materials incidents or gas leaks
- ◆ Public Works notifications such as road closures or planned power outages
- ◆ Dam breaches
- ◆ Evacuation notices and routes

CodeRED gives those who want to be included an easy and secure method for doing so. The information will only be used for emergency notification purposes. Questions should be directed to the County Emergency Management Office.

2010 Census Info

The 2010 U.S. Census is quickly approaching. The tag line for this Census is "10 Questions – 10 Minutes." We encourage every Daggett County resident to participate. Our small County needs the assistance and information that the census can provide. Canvassers have been in our County and tried to identify all existing households. In March identified households will receive their census forms by mail or delivery. Please complete your forms as instructed.

If you don't send back your form, you may receive a visit from a census taker. If a census taker visits you, here's what you should do:

- First ask to see their ID. All census workers carry official government badges marked with just their name; they may also have a "U.S. Census Bureau" bag
- Note that the census taker will never ask to enter your home
- If you're still not certain about their identity, please call the Regional Census Center in Denver at (720) 475-3640 to confirm they are employed by the Census Bureau.
- Answer the census form questions for your entire household (you must be at least 15 years old to answer questions) so that the census taker can record the results for submission to the Census Bureau

Census takers visit local homes several times to capture resident information for the 2010 Census. If you prefer, you can schedule a visit with your census taker. Should the census taker come when you are away from your home, they will leave a contact number. If you do not receive a form, a census taker has not visited your home or you have a question about your participation with the census, call the Regional Census Center in Denver at (720) 475-3640. Additional information about the 2010 Census can found at the official website: <http://2010.census.gov/>.

OBITUARY

Virginia Bennion Buchanan 1917~ 2009 "Keep blessing it!" Virginia passed away peacefully in her Salt Lake home on Dec. 28, surrounded by her children and loved ones. Born in Lehi, Utah, on June 15, 1917, she began her life as a homesteader near Manila, Utah, at the age of one, when a doctor warned her ailing father, Heber Bennion Jr. and her mother, Vera Weiler, that they had to get out on the land, if he wanted to live. Blessed with a vivid memory, Virginia treasured her experiences growing up with her brother and sisters on Benview Ranch, getting a horse of her own on her fifth birthday, planting the first cottonwood trees, raising pet lambs, taking friends on pack trips, and herding 3000 sheep with her sister on Phil Pico Mountain at 21. Although the family spent every other year in Salt Lake while her father attended the legislature as Daggett County's representative, and she loved her cowgirl life, her youth at the foot of the Uintas whetted her appetite to get out and see the world. Working summers in Bryce Canyon Lodge as a college student, waiting on tables of "dudes" from back East, and abroad, increased her yearning. She found the perfect man to help achieve her dreams at the AC (Utah State University) in Douglas L Buchanan, a bright young man with a sense of humor from Venice, Utah. The handsome president of the engineering students promised she would see the world if she married him. Her greatest moments were completing her BA at the "U" in 1985, after a hiatus of 46 years and seeing her family get back their homestead, after a long struggle, thanks to the kindness of Basque sheepherder Modesto. Virginia is survived by her son Dr. Ben Buchanan and wife Patti Mazzone of Salt Lake; daughter Rebecca and husband Amer Salti; daughter Kaylinda and Swiss husband Pierre Essig of Carlsbad, CA; grandchildren Soraya Salti of Amman and Jumana Salti of Dubai; Stefan and Jennifer Essig of Warner Robins, GA; Sabrina and Patrick Saintil of Oceanside, CA; and Tammy Essig of Carlsbad, CA; Maya and Beau Buchanan of Salt Lake City; great-grandchildren Mason and Alana Essig, Savanna Saintil and Raya Salah of Amman. Her siblings Dr. Don Weiler Bennion and wife Elaine Weilenmann of Salt Lake City; Peggy Papp of NYC. And many beloved nieces and nephews and their children. Her sister Barbalyn Curry of Menlo Park, CA passed away in 1991. The family send special thanks to caregivers Soko and Kanti. Funeral services were held on Sat., Jan 2., 2010, at 11 a.m., at the 21st North Ward, 2nd Ave and "K" St, Salt Lake City, Utah, where a viewing was held one hour prior. Interment: SaltLake City Cemetery. Condolences may be expressed at www.memorialutah.com
