

Hello all! We are going to have the Feb 6th, 2PM meeting and would love to see your happy masked covered faces! At the time of this email being sent, we will have the meeting at the park pavilion, UNLESS Brian Raymond can attend the meeting and let us into the county courthouse. If that is the case we will be in the commissioners chamber. I will send an additional email if we can have it there. Regardless, it will be COVID compliant in either location. Masks required and social distancing requested as per regulations require.

Hope to see you there!

Thanks!
